Education:

B.A., Political Science, Eastern Connecticut State University May 2022
Minor: Sports & Leisure Management
GPA: 4.0
Honors: Dean's List

Academic Projects:

Applied Qualitative Methods Research Paper Fall 2020

- Explored how athlete activism across the United States has evolved since the civil rights movement
- Configured a thorough literature review by finding peer-reviewed sources regarding the history of athlete activism since the mid-twentieth century
- Logged a combination of peer-reviewed pieces, articles, and photos as evidence to develop the data/analysis section of the paper
- Developed theory on how future athlete activism is affected by seismic activist events in the sports world
- Created a 15-minute presentation on my research, findings, and conclusions which I presented in class

Applied Quantitative Methods Research Paper Spring 2020

- Researched how electric vehicle policy in the United States has influenced charging infrastructure throughout the country
- Wrote a thorough literature review by compiling peer-reviewed sources in electric vehicle policy and government-funded infrastructure
- Produced a comprehensive paper using X statistical methods

Work Experience:

Hochberg Law Offices, Pittsfield, MA November 2016 - Present

- Assembled exhibits for open cases within the firm
- Conducted research for open files including cases that went to trial
- Attended trial and took intricate notes on court proceedings
- Taught myself the intricate computer system of the firm
- Assisted supervisors through clerical activities to maintain the office day to day operations

Berkshire Hills Country Club, Pittsfield, MA Summer 2019 & Summer 2020

- Adjusted my work schedule by waking up at 4 am five to six days a week
- Obtained knowledge on how to maintain a golf course
- Collaborated with coworkers on several projects throughout the summer
- Worked under pressure before tournaments
