EXPERIENCE

- Sondheim Nonprofit Fellow*, **Maryland Nonprofits**, Baltimore, Maryland June-August 2022
- Collaborated with Maryland Nonprofit staff and fellow interns to create digital deliverables for nonprofit organizations to correct information asymmetries in the field regarding available programs and resources.
 - Produced two blog postings and two internal memorandums on topics ranging from advocacy, legal requirements, certifications, and digital rights management.
 - Formulated in-depth matrix on differences in nonprofit assessments within the sector in comparison to the organization's Standards for Excellence Institute, including providing recommendations for further enhancement
- Student-Teaching Practicum*, **Stuart-Hobson Middle School**, Washington DC August 2020-May 2021
- Created and taught several lesson plans on various historical subject matters through critical lenses
 - Collaborated with cooperating teacher and supervisor in organizing student assignments and activities, honing communication skills and developing a more nuanced understanding of the public education system
- Teaching Assistant*, **School of Public Affairs**, American University August-December 2019
- Facilitated academic discussions that related to the GOVT:110 Politics in the US course material for a class of thirty college students in their Freshman and Sophomore years alongside Professor Steven Taylor, PhD
 - Coordinated real life lab experiences once a week in the District for the class of thirty students alongside my Co-Teaching Assistant, as well as acting as a guide and advisor for said students
 - Exercised and developed communication skills needed to organize events scheduled with the objective to advance students' academic journeys in the field of Political Science

CAMPUS AND COMMUNITY SERVICE

- Community Member*, **SPA Leadership Program**, American University August 2017-May 2021
- Strengthening leadership skills through practical study and training, alongside social action projects to better environmental policy and awareness through community engagement and education recycling activities for youth
 - Organized and directed creative workshops with fellow tutors for students ages 7-11 during an afterschool aftercare program within the new DC Reads STEM initiative at Columbia Heights Village Apartments
 - Produced policy memos on various topics, including education, governmental leadership systems, and environmental policy measures

SKILLS

- *Computer*: Microsoft Word, Excel, PowerPoint, Data Analysis (STATA)
- *Writing*: Policy Memos and Literature Reviews
