

# “They want me to teach WHAT?!” Stepping into the Sex Educator Role

May 7th, 2020 | 9:00am-4:30pm  
Boston, MA | \$150

This full-day training will provide educators who are newly tapped to teach sex education the necessary foundational skills. We will cover group rights, setting the classroom tone, managing potential challenges, establishing appropriate boundaries, and exploring personal values as they relate to teaching about sexuality. Participants will leave this training with an increase in knowledge, skills, and comfort to successfully teach sex ed.
