

# Periods and Wet Dreams: Teaching Puberty in Elementary Schools

This interactive, full-day training will engage educators, school nurses, and youth-serving professionals in lessons and activities to build their skills and comfort in teaching puberty that is gender inclusive. Using a social emotional learning lens, this training will cover anatomy, menstruation, hygiene, cultivation of empathy, and more.

**February 11th, 2020 | Boston, MA**  
**9:00am-4:30pm | \$150/person**
